**RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT**

SIR:

Responsive to the Notice of Non-Compliant Amendment, dated July 7, 2005, please enter in the changes included herein. This Notice stated that "[e]ach claim has not been provided with the proper status identifier." Since the Notice did not identify the specific claims that the Examiner identified for correction, Applicant contacted Examiner Peter Cuomo (Examiner Burnham was not available at the time) regarding Applicant's question. Examiner Cuomo indicated that he believed that claims 27-33 required change of the status identifier to "Previously Presented." Thus, this error has been corrected herein. Pursuant to MPEP § 714.03, the Applicant's Reply consists of "a corrected version of only that portion of the amendment which previously failed to comply with 37 CFR 1.121." Thus, only the "Amendments to the Claims" section is reproduced below. This Response is timely filed.
